

HEALING TOUCH

Markus and Valerie are both gifted with the ability to use the "Healing Touch," a special technique that can only be performed by a handful of surgeons. As you progress in the story, this ability will not only become available, but will also prove critical to your success, especially during difficult procedures. While there are some differences between the two doctors' special abilities, neither surgeon can use the Healing Touch more than once per operation.

■ Markus's Healing Touch-Slow Time

Slow Time: By using the Healing Touch, Markus can temporarily slow time during a procedure. This allows him to accomplish more, and can be particularly useful in situations where multiple problems must be addressed or where the patient's vitals are falling too quickly.

■ Valerie's Healing Touch-Anesthesia

Essentially, Valerie can prevent a patient from dying by using the Healing Touch. When she uses this technique, the patient's vitals will temporarily stabilize. This is tremendously helpful, as you can continue the procedure without having to worry about the patient's vitals plummeting. However, you cannot improve the patient's vitals during this time.

■ Initiating the Healing Touch

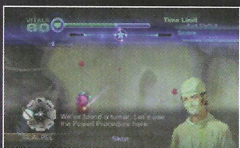

Performing this special technique is the same for both Markus and Valerie: hold the C or Z Button and the cursor will change to a star. When this happens, hold down the A or B Button and move the Wii Remote in one fluid motion in the shape of a five-point star. If you draw the star correctly, the doctor will immediately perform his or her respective Healing Touch.

NOTE: If the Nunchuk is disconnected, then use the 1 or 2 Button in place of the C or Z Button.

■ Duration

While the Healing Touch is in effect, a gauge will appear under the patient's vitals. This gauge indicates how long the special ability will remain active. It will automatically decrease, and when it runs out, the effects of the Healing Touch will end. At that point, you will return to normal operating conditions.

LIMITED WARRANTY

ATLUS warrants the original purchaser of this ATLUS product that the medium on which this software program is recorded is free from defects in materials and workmanship.

ATLUS, at its sole option, will refund, repair or replace at no charge any defective ATLUS products within ninety (90) days of purchase with proof of purchase date, so long as the defect is not caused by misuse and neglect of the purchaser. EXCEPT FOR THE FOREGOING LIMITED WARRANTY, ALL EXPRESS, IMPLIED AND STATUTORY WARRANTIES, INCLUDING WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT OF PROPRIETARY RIGHTS, ARE EXPRESSLY DISCLAIMED. ATLUS SHALL NOT BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, CONSEQUENTIAL OR OTHER DAMAGES, EVEN IF DAMAGES RESULT FROM THE USE OF ATLUS PRODUCTS IN ACCORDANCE WITH ATLUS MANUAL INSTRUCTIONS. IN SOME JURISDICTIONS, SOME OF THE FOREGOING WARRANTY DISCLAIMERS OR DAMAGE LIMITATIONS MAY NOT APPLY.

Call (949) 788-0353 to obtain repair/replacement services.

Repair/Service After Expiration of Warranty

If your ATLUS product requires repair after expiration of the 90-day Limited Warranty Period, you may contact the Customer Service Department at the number listed above. You will be advised of the estimated cost of repair and the shipping instructions.

ATLUS Customer Service Department/Technical Support Line
(949) 788-0353

Call this number for help in installing or operating our products or for general product questions. Representatives are available Monday - Friday, 9:00 am to 5:30 pm Pacific Time.
